

Letter From the President

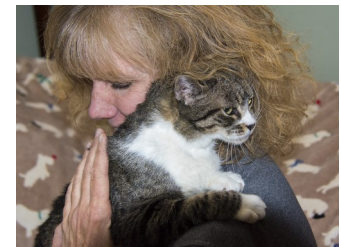

As the holidays approach, we would like to reflect upon our efforts to help senior kitties over the past year. I have to say as I wake up every morning, I feel blessed to be able to do the work that is in my heart. I also feel blessed to have the volunteers, foster homes, donors, and supporters that we have. Molly Glen, one of our volunteers took beautiful pic-

tures of the kitties (pg.3) and did a video, which we will share with you soon!

This year we were able to help more cats mainly because we are becoming known by more people. Our focus will be on promoting our Forever Foster Program in 2017(pg.2).

Also in 2017, we will continue to advance

Janet and Maybelline

our vital mission of helping senior cats. We hope you will continue to support us.

Enjoy the holidays and may the new year bring you peace, joy, and love.

With gratitude,

Janet Philippsen

Are you a retired senior who longs for the company of an older cat, but don't want the vet bills? If so, we have good news for you! Our Forever Foster program matches one of our older kitties with a retired senior, and we take care of all of the vet bills. All you have to do is provide love, companion-

ship, food and litter to your forever foster. If something happens in your life and you are no longer able to continue being a forever foster, we take the cat back. If that sounds like something you would be interested in, give us a call at 505-220-3528 or [\[cats@g.com\]\(mailto:cats@g.com\) for more information.](mailto:junes-</p>

Congratulations

This year, because of a very generous donor, we were able to raffle off two pet carriers. One carrier was packed with lots of dog items valued at nearly \$200. The other pet carrier was packed full of cat items valued at over \$100. This was our fall fundraiser and it was very successful. On December 3, 2016 we drew the names of two lucky winners. The winner of the cat carrier is Joanne D and the winner of the dogs carrier is Deidre M. Congratulations to you both!

Helping to keep the senior years golden.

The idea for June's Senior Cat Rescue came to me after my mother, June, died and left behind her senior cat, named Ninety Nine. Nobody wanted Ninety Nine, so I took her home. Ninety Nine was the first senior cat to come into our rescue, but many have followed her.

To be able to continue our mission of helping senior cats, we need more foster homes and volunteers to help us with fundraiser events. Many of the cats we take in are sanctuary/hospice cats and will live the rest of their lives with us. Because we offer life-long care for our cats, we have a lot of expenses. If you would like to be a foster, or volunteer with our group, please contact us at 505-220-3528.
