

June's Senior Cat Rescue

Winter 2019
Volume 4 Issue 2

Greetings From the President

At the end of each year, I reflect on what I want to share with you. This year has been extraordinary. I am in awe of the wonderful and caring people who have supported us throughout the year.

Our incredible volunteers, created a great website that showcases all of our good work, including all of our adoptable cats. It also has our new "Sadie's Shop," where you can find wonderful items your kitty will love. And with the Holiday Season upon us, its a great place to find gifts for the cat lovers in your life. Each purchase supports our senior kitties. You can find our website at <https://junesseniorcatrescue.dreamhosters.com>.

The amazing medical teams at Zia Pet Hospital and 4 Paws Animal Hospital, provide our cats with the best medical treatment from caring professionals. Because of you, our supporters and volunteers, we can continue our mission of rescuing and caring for senior cats who find themselves homeless or are going to be euthanized at a shelter.

I want to thank each and everyone of you who has contributed in some way to making June's Senior Cat Rescue the amazing rescue it is today. Because of you senior cats are loved and cared for every day.

Blessings to all,
Janet Philippsen

Fosters Wanted

With the ever increasing number of cats needing help, we are looking for new fosters! We have two foster programs:

Sinny & Buttercup

1. Forever Foster Program - participants provide a senior cat with loving home for the rest of his/her days. With this program, all veterinary bills are covered by JSCR for the cat's entire life. All you provide is food, litter, and love!
2. Adoptable Foster - participants provide temporary foster care to younger cats, kittens, or seniors who are available for adoption.

Both programs help us rescue cats from high kill shelters. Please call or text us at 505-220 -3528 or email junescats@q.com for more information.

Growing Pains

This year has been a very busy year for us! We took in 56 cats in total this year!! Including five cats from Chicago, one from California, and one from Arizona. This is the largest number of cats we have ever received, and we are stretched beyond our limit. We need to expand in order to assist the many senior cats who need our help. We are seeking property that will allow us to grow our senior cat sanctuary for years to come. To make this happen, we created the Felix Legacy Fund.

Rosie & Rory

Donations to the Felix Legacy Fund will help us create a senior cat sanctuary where senior cats can live out their days in luxury, enjoying the indoors, as well as, safe outdoor areas. Having a sanctuary would enable us to help more cats than ever before, while also allowing us to open our doors to the community for educational programs and much more!

A gift in your will or trust, beneficiary designation on a retirement fund, life insurance policy, banking or investment account, as well as a donation of land or facility are just some of the ways you can continue your life-changing help for senior cats. For more information about the Felix Legacy Fund please contact us at junescats@q.com.

The Impact of Foster Care

At JSCR we try never to turn away tough cases. Sometimes this means we take cats and kittens who require intense medical care. This was the case for Timon and Lilo.

JSCR pulled Timon and Lilo from the Roswell Shelter in October 2019. They were very young kittens (only 6 and 4 weeks old), and they were very sick. Timon was underweight, had pneumonia, and had ringworm so severe he developed secondary infections. Lilo only weighed 13 ounces and struggled to keep his food down without being syringe-fed.

Our dedicated fosters saved these kittens from certain death at the shelter and brought them back to life. They are now healthy, at normal weights, and are available for adoption!

Please contact us if you'd like to meet them!

The idea for June's Senior Cat Rescue came to Janet after her mother, June, died and left behind her senior cat, Ninety Nine. Ninety Nine was the first senior cat to come into our rescue. She paved the way for the many who have followed her.

To be able to continue our mission of helping senior cats, we need additional foster homes and volunteers to help us with fundraising events. Many of the cats we take in are sanctuary/hospice cats and will live the rest of their lives with us. Because we offer life-long care for our cats, we have a lot of expenses. If you would like to be a foster, or volunteer with us, please contact us. The kitties need you!

Needed Items

We need donations for our senior kitties. Here are items we need most:

- Canned cat food
- Milliard Pet warmer pads
- Feliway plug-ins
- Petsmart gift cards
- Clumping cat litter
- Rescue Remedy for pets
- Monetary donations

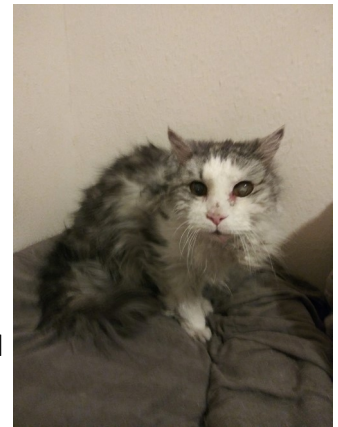

We also have a wish list on Amazon.com at <http://www.amazon.com/gp/registry/wishlist/1BEPFHDEMRAE8>

In Loving Memory

One of our long time supporters, Carmelita Baca lost her 18 year old cat, Muenster, aka Mum, recently.

Carmelita had Mum for many years, and she was her constant companion.

Mum had many health issues including cataracts in her eyes, but she was loved unconditionally, and will be missed dearly. RIP sweet Mum.
